

BBS COLLEGE OF ENGINEERING & TECHNOLOGY, PRAYAGRAJ

Affiliated to **AKTU CODE 138** & Approved by **AICTE**

What is an Aspiration ?

- आकांक्षा, अभिलाषा, चाह
-
- Your one true goal in life. ...
 - My greatest aspiration in life is to see myself as the true person that I am, to realize my potential and talent, ..
 - I want to make this world a better place for everybody to realize their dreams and aspirations.
 - Key to achieving career success is to clearly define aspirations

What is a Career ?

Which Career to Choose ?

Why Engineering?

Engineering brings prestige

Sets one up for professional success

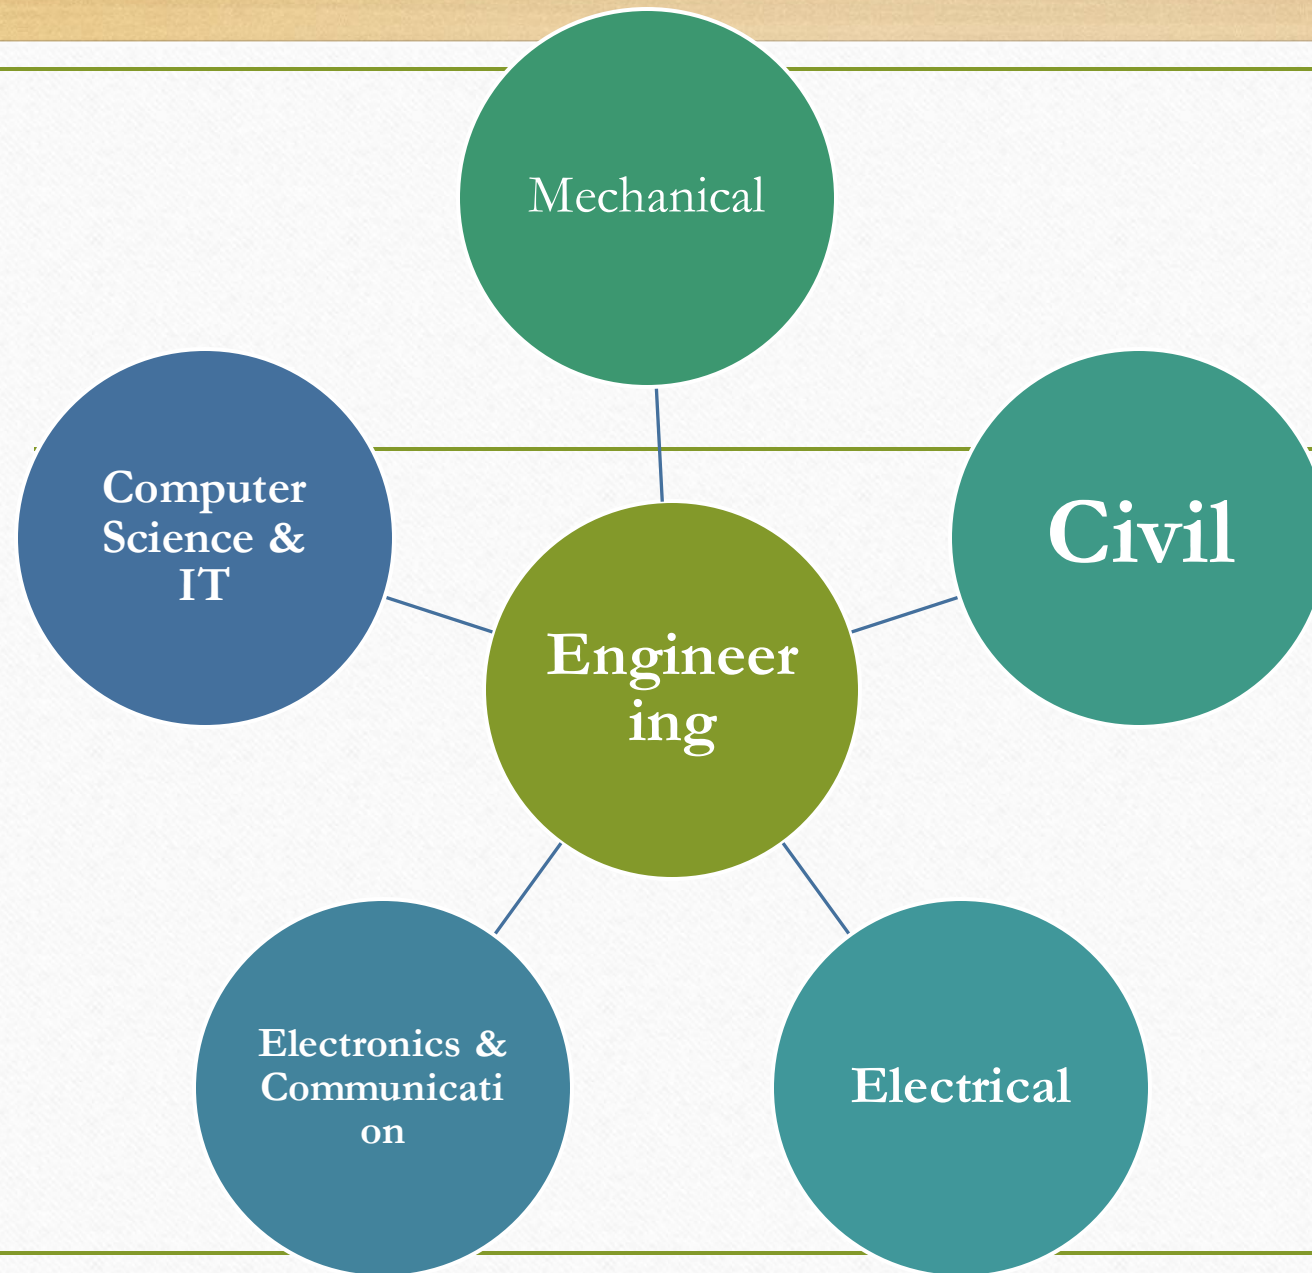

Makes one ready to face any problem

Engineering brings financial security

One gets a chance to improve the world

Branches of Engineering

Why BBS ?

- Affordable Quality Engineering Education
